

Save Kim Possible!

Disney has renewed KP, but the fight isn't over yet!

- 1) We still want KP Boxsets.
- 2) We want KP videogames for platforms other than Gameboy.
- 3) We want KP Books like a "coffee table" book or "history of KP" book.
- 4) We want ABC to show *A Stitch in Time* and *So the Drama* on the Wonderful World of Disney where more people will be able to see these movies.
- 5) We want a Theatrical KP Movie.

Of course, we also feel that the 65 episode rule should be ended for all Disney shows. We recognize the tremendous change that Robert Iger has brought to the Walt Disney Company, and we commend him for it.

So please keep listening to the fans, That is all we ask. 🙏
