

To: The Walt Disney Company

We, The Undersigned, wish to thank the company, for renewing *Kim Possible* for a fourth season. *Kim Possible* fans have demonstrated their continued love and support of this show which has consistently been the highest rated, best written, and overall best animated series on the Disney Channel. This is a show that has brought people together like no other show in recent history. Quality shows like this should be embraced by the company, and this series should have a fifth season produced now.

Thank you,
The Undersigned
